We would like to take this opportunity to thank the people involved in putting together our yearbook. Lots of time and dedication are needed; Miss Barnes has these qualities that make our yearbook turn out so well. She was always there when we needed her and made our year very enjoyable. Lisa Norris slaved away at the typewriter. She typed every page in the yearbook, and without her we would have been lost. Our artwork was done by Mark Dunbar and Mike Wilson, we thank them for their hard work and wish them luck for next year. We would also like to thank our Activity Editors, Janis Matlock and Melissa Fitch. They put a lot of hard hours and were dedicated to their work. Last but not least, thanks to all the Salesmen who worked so hard to raise $4,405 for this year's ad sales.

Sometime people ask me how long I've been entertaining and I tell them since I was about 12 years old. Then they usually ask me if I've been crazy all my life and I usually say, Not Yet! I really enjoy entertaining, and I have since I started to practice magic when I was 12. My first shows were for small groups: birthday parties, neighborhood kids, crowds at hit and run accidents and midget conventions (I did say "small" groups). I've always enjoyed comedy and my magic was my vehicle into comedy. My serious tricks always seemed to turn out more humorous than serious anyway. The more opportunities I had to entertain, the more I was convinced I wanted to get into more comedy and less magic. My show today is about 90% comedy and 10% magic. Everyone needs a good laugh. I guess I've been influenced by other comedians. Some of my favorites are Charlie Callos, Steve Allen, Jonathan Winters, Steve Martin, George Carlin, and Thomas Edison. It wasn't hard to make the transition from magic to comedy in my show. It is hard to write your own material though. Other than some one-liners and a few jokes I hear, I do write all of my material. I don't want to be a "copy" of some other comic. I guess my humor is a little off-beat. Maybe close to a lot of true life situations, like nose-picking, people with bad breath, seat picking, throwing up, and a partridge in a pear tree. I'm into a lot of visual humor. Maybe that's why my record albums haven't sold. I use a lot of props. My act usually contains a few monologues, a couple of crazy commercials, and a few semi-great tricks. I rap with my audience during a show. I may say things to them like "shut up and pay attention" or force them at gun point to laugh. Since about 1976 I've been with a booking agency out of Indy and I'm represented exclusively by them (International Entertainment Bureau). It was a super move on my part. They've been great to work for. They've had me booked in and out of the state at clubs and conventions. I've always wanted to play the Rock Concert circuit, but I was afraid I would be killed and smoked by the crowd. They'd get high and I'd get dead. Don't get me wrong, there's nothing wrong with being dead, but it's so permanent! Back in 1974 I had a lot of requests for the crazy poems I do in my show, so I put some original material together in a booklet, had it copyrighted, published a couple thousand copies and they're selling like Edsels. I keep changing the cover and telling my folks it's a new book. I've changed the cover nine times and sold nine books. They bought all nine. I've had a great chance to prove and improve for the last six years I've worked at the Tank in New Castle. That's probably been the single greatest factor for whatever success I may have from my entertaining. That's where I try new material, polish old material, and die a thousand deaths on a bad night. I also show a strong interest in music, namely the guitar and piano. I was swept up in Rock 'n Roll music in the late 50's when I was in jr. high and I had a desire to play in a Rock 'n Roll band someday. But it was not until my college days that I really started to improve. I was "pickin' & grinnin'" a long time before I ever learned to play the guitar. I spent a lot of my time in high school learning the basics of guitar and piano, being taught rock 'n roll by other rock 'n rollers. We sort of taught each other. During my college days I had a chance to play in some small groups and even wrote a few songs. It seems ironic to me that the music really flourished for me at a time in my life when I thought "hey I'm too old to be playing rock 'n roll." I was one of three founders of a rock group that plays mainly 50's and 60's rock music. We also keep current by doing some of the top 40. We have played in and out of the state and can do up to a 4 hour show. We don't play a full time because everyone in the group is married and has a family and each has some other business or full time job. We have a pretty good thing going, mainly because we all enjoy what we're doing. To me it's not the money but the enjoyment of whatever you are doing that makes or breaks its success. I've taught at Eastern for 11 years and have stayed because I enjoy it here. I like teaching. I like the student and faculty. I've had several opportunities to do more entertaining and spend a lot more time on the road. I've even thought of giving up my teaching, but I'm not that crazy about spending a lot of entertaining time on the road away from my family. I've had a lot of students that have never really seen the entertaining side of me. Some may never have been aware that I entertain at all. Sometimes an audience feels that way. But there is a serious side of me — (it's my left side). Whether it's teaching, doing my floor show, or playing with the band, I'll continue to do each until it is not enjoyable for me. When it seems too much like something I don't like, I'll hang it up.

THE SEASON IN REVIEW

Whether it be for a coach, the players, or the spectators, a football season can be an emotional roller coaster. The 1978 season was a perfect example.

The 1978 Varsity Football Team was the finest group of young men with whom I have ever been associated in team sports. Lacking somewhat in athletic talent and being overwhelmed by misfortune in squad injuries, these young men never gave up the battle in any ball game. We played an extremely difficult schedule and were only out of one game.

The 1979 Varsity Football Team will benefit from the adversity of 1978 with commitment to excellence and more dedication to football, the greatest game going.

I will not be on the sideline with the 1979 Royals and I am sure there are times I will miss it. But Royal football will continue to be respected because we have been winners and future teams are obligated to continue the tradition.

I have received far more than I have been able to contribute, so let me conclude with a simple but sincere Thank You.

The Season In Review

This year's softball squad was a young group, composed mainly of freshmen and sophomores. They were an eager and enthusiastic team, willing to work hard to improve their skills.

The season was not a total success in terms of wins, but these girls were winners in terms of spirit and morale.

THE SEASON IN REVIEW

This fall the boys' tennis team got back to their winning tradition by posting a 500 mark for the season. This season, under the capable leadership of Brian Dunbar at number one singles, Russ Vail at number two singles, and Jeff Greenwalt at number three singles, the team put together a combination that gave them 6 wins and 6 losses with a fourth place finish in the Big Blue River Conference.

In doubles, the team had a unique situation. Usually four or five boys hold the four positions on the two doubles teams the entire season, but that was not the case this year. Twelve boys competed for the entire season for these positions. All displayed almost equal tennis ability which made it extremely difficult to select who would permanently play the doubles position. As a result, all twelve boys rotated playing on the doubles team and everyone on the team received varsity experience.

As tennis coach, I am looking forward to next year with thirteen returning lettermen. During the past season, everyone improved tremendously because of the competition for the doubles positions.

Because of the excellent attitude of the boys, stiff competition among the players, and thirteen returning lettermen, the team should experience a great deal of success next year.

The Season In Review

Although three victories and seven losses may not be considered a winning season, the 1978 Royal spikers were successful in improving their skills and their season record.

Twice, the volleyers stopped conference foe Morton Memorial. The six-player Royals squad had to go three games in both victories, winning the first match 15-1, 14-16, and 15-11. When they met again, the Royals once more were the victors by 15-4, 4-15, 15-9 scores. Their third victory came when the Eastern girls tallied another win by defeating Lincoln in straight games 15-13, 15-8. The spikers ended the season with a 3-7 overall mark, and a 1-6 record in conference play.

Three seniors and six juniors filled the varsity roster. Seniors Beth Holliday and Susie Speck used their experience to help the squad. Karen Wisehart, who began playing volleyball her senior year, picked up the skills quickly to assist the team.

Six juniors make the future look hopeful for the Royals. All-Conference selection Francis Baughman, along with setters Mary Gallagher and Kim Lawrence, and hitters Marna Alexander, Carla Gray, and Julie Seybert will have another chance to bump, set, and spike.

Eastern Hancock was the site of the volleyball sectional. The host Royals fell in the opening round to Shenandoah. The junior varsity team posted a 3-7 over-all season record.

THE SEASON IN REVIEW

The 1978 Royals Cross-Country Team suffered a dismal season with a record of 1 win and 11 losses. The high point of the season came with Doug Beyers' 5th place finish in the B.B.R.C. meet which placed him on the All-Conference Team. During the year, Doug won meets against Daleville and Morton Memorial. Del Long also captured 1st places against our second meet with Daleville and against Rushville. Doug Beyers received the "Most Valuable Runner" award and the "Course Record" award for his run of 13:29.9 as well as being team Co-Captain. Del Long, the other team Co-Captain, received the "Mental Attitude" award and Clint Ellison received the "Most Improved" award. The Gong Show

Tri-Hi-Y's second Gong Show was held on Saturday, November 11, 1978. Kurt Alexander did a fantastic job as Eastern's own Chuck Barris. He was assisted by Mark "Gene, Gene" Hardy and the Unknown Comic. This year's "gongers" were Miss Barnes, Miss Johnson, and Mr. Landram who judged the dozen entries. The acts included such sincere displays of talent as singing, dancing, instrumentals, and baton twirling. Light-hearted, comical skits included a typical day in Bachelor Arts, mocking rock groups, and a "cheer"-leading version of the answer to "Tie a Yellow Ribbon." One of the highlights of the evening was the audience participation as characters in Uncle Chucky's Fables. This year there was a tie for first place — "M and M Disco Girls," alias Marjorie Grass and Marietta Pearson, and the band "Cut Loose," which included Eastern's Kevin and Phillip Austin. Special thanks are in order to those club members who assisted with the planning of the show and with backstage work. Their cooperation, suggestions, and sincere support were deeply appreciated. This was probably the last year for the Gong Show. Without our MC, things just wouldn't be the same.

THE SEASON IN REVIEW

The 1978-79 Basketball season was strictly a rebuilding year. Youth and inexperience were to take their toll in the win — loss category. However, it was very obvious by the end of the season that a few breaks could have resulted in a victory or two which is always needed by a young club that lacked confidence.

The future is much brighter for the Royals as the second half of the season saw the team improving with one freshman, three sophomores, three juniors and one senior sharing the playing time.

SEASON IN REVIEW

It is not easy to continue believing in the fact of defeat, but this year's girls' basketball team refused to quit. Throughout the season, the points just wouldn't add up for the Royals, and it takes points to win basketball games.

Nine players wore varsity suits this season. A pair of seniors, Lisa Norris and Karen Wishhart, headed the team in their final season. Lisa Norris assisted the squad with her defensive strength and ball handling. Karen Wisehart, who came off the bench as a junior to spark the squad, this season showed marked improvement. She matured into an aggressive, intense ball player whose rebounding ability helped the team's defense. Five juniors, including the team's leading scorer, Kim Lawrence, leading rebounder Carla Gray, Mary Gallagher, Tammy Spegal, and Deb Willis, and two sophomores, Rita Miller and Tammy South, gained experience throughout the season and hold the hope for the Royals' future success.

Together, this team compiled a disappointing 4-11 season mark. Those four victories came easily over Hagerstown, Morton Memorial, New Palestine, and Tri High. The winning margin in these games averaged 20 points. Every defeat was a tough one. The Royals defeat in the Sectional to a powerful Mount Vernon squad, was the end of the 1979 basketball trail for Eastern.

THE SEASON IN REVIEW

I had the opportunity this year to work with an outstanding group of young people who made up our wrestling team. I am sure there was some apprehension about the fate of this season when Coach Holman resigned in August, but I believe the team's record indicates it is the athlete and not the coach who will finally determine success or failure.

Wrestlers are the top athletes in our sports program because their game is more physically demanding, emotionally frustrating, and self-sacrificing then all the other programs combined. A wrestler wins of loses as a result of his preparation without regard to the performance of a teammate. A wrestler does not compete for the attention many of our other athletes receive because matches are poorly attended. A wrestler, because of the demands of the sport, learns more from athletics than other athletes. He learns about himself, what it takes to succeed, and, more importantly, how to cope with losing.

I obviously respect all the young men who pay their dues in athletics, but especially the wrestler.

Bill and Bob Havlin were the most successful wrestlers in the school's history. Both young men gave the time and effort, and displayed the dedication and commitment to wrestling required to succeed. To them and to the entire squad, I express my gratitude and confidence in their future successes.

Why Senior Favorites Are Important!

Last year we put in "Senior Favorites" for the first time. We have since then decided to make it a traditional part of the book. Why? This is the only chance the seniors get to judge their own group. It's not based on grade averages or votes by teachers. It's the seniors' judgment of the best from their class.

IN MEMORY OF TOM JOHNSON:

Dear Tom,
To some of us, you were a friend as no other friend could be.
To some of us you were just a friend.
But to all of us you were a very dear person.
A person we could laugh with and run with and some of us grew up with.
Our memories are everlasting.
The tears we shed are only a small vent to show how much we miss you.

THE SEASON IN REVIEW

By any measure or standard, Eastern's Boys High School Track Team had an outstanding season. The dual meet record was 13 wins and only 1 loss. The overall record was 20 wins and 1 loss. During the middle of the season, Eastern won the New Palestine Invitational Meet; but the big prize of the season was winning the BBRC Championship for the third year in a row.

School records were set by two seniors: Tom Coy vaulted 13'3" to break Steve Geiger's old record 13'1". John Mascoe set records in the high hurdles of 15.2 and low hurdles of 41.6.

Other individual honors was gained by Tom Coy, John Mascoe, and Doug Beyers. Each won All-Conference by placing first in his event in the BBRC meet: Tom Coy in the pole vault, Doug Beyers in the mile and two-mile runs, and John Mascoe in the high and low hurdles.

THE SEASON IN REVIEW

All the girls improved their times and-or distances over the course of the season. School records were set by: Pennie Matthews by throwing the softball 188', Susan Polston by high jumping 5'0" and long jumping 16'7", and the 440 yd. relay team of Norma Spegal, Darla Low, Susan Polston, and Brenda Hall: 55.2.

Deanna Young was voted by her teammates the Most Spirited Athlete of the year: while Susan Polston won the Most Improved Athlete of the year.

THE SEASON IN REVIEW

The Varsity Baseball squad is very young but has the potential to develop into a sectional contender. Unlike many other sports, the baseball team, to a certain extent, is at the mercy of the weather. Our young squad with a lot of hard work and dedication, combined with an opportunity to play, should represent Eastern very well in the diamond wars in 1979 and years to come.

Brent Ware and Randy Owens are the only seniors on the squad and are called upon to give the squad its experience and leadership. Along with these two, Jim South — a Junior, make up the balance of upper classmen.

Several sophomores did see Varsity action last year including Terry Norris, who is the ace of the pitching staff. Doug Muegge, Craig Young, Brent Sitton, and Scott Rinehart also were part of the varsity last year.

Promising freshmen which are playing varsity are Robbie Florea, Roy Andrews, Richard Masters, and Brian Jones. There are also twelve more freshmen and sophomores which compromise the reserve team.

In essence; youth, dedication, hard work, and experience are the formula which should give Eastern an outstanding Baseball Squad for the next two or three years.
